

**Dr G R DAMODARAN COLLEGE OF SCIENCE (AUTONOMOUS),
COIMBATORE 641 014
RESEARCH COMMITTEE MEETING
MINUTES OF MEETING**

Date: 24.07.2024

Venue: AV Room

Members:

S.NO	STAFF NAME	DESIGNATION
1	Dr. T. Santha	Principal/ Chairman
2	Dr. K K Ramachandran	Co-Chairman
3	Dr.G .Radhamani	Director
4	Dr. S. Brindha	Member
5	Dr. N.MeeranMydheen	Member
6	Dr.S.Sitrarasu	Member
7	Dr. S.Sujatha	Member
8	Dr. S. Umamaheswari	Member
9	Dr. R.Sumathy	Member
10	Dr. Sasikala.S	Member

The following points were discussed in the meeting:

- Identification of New thrust areas and specialization subjects for doing research and to conduct Research Seminars / workshops, research paper/article writing.
- Orientation to the scholars in the preparation of Part-I examinations. To purchase new books and to make photocopies of the study materials.
- Motivating the faculty members to take part in Conferences / Workshops at National and International level.
- Motivating the Faculty members and Research Scholars to publish Research papers / Research articles in peer reviewed International Journals with high impact factor and indexed in Scopus, ISI, Web of Science and listed in UGC approved journals.
- To organize Faculty Development Programmes on the recent trends.

- Updating the availability of the necessary Software Tools / Simulators in the labs for research.
- To organize Awareness programmes / Workshops / Seminars on IPR to create awareness on Patenting.
- Motivating the students take part in various Hackathon events so that the ideas can be converted to products.
- Online / Print Subscription of Journals in the respective research domains.
- Motivating the Research scholars to take part in advanced research within the guidelines framed by Institution Ethical Committee (IEC).
- To review the ethics of such research and recommend guidelines for its ethical conduct.
- To disseminate in cooperation with other organizations, guidelines for the protecting the welfare of animals, other than humans, that are used in research, teaching and practical applications and to consult on the implementation of these guidelines.
- Promoting the submission of research proposals for getting financial assistance for conducting/doing research projects, workshops, conferences, etc.
- Preparing research articles / papers for submission to the Wide Spectrum journal.
- Periodic review meetings can be conducted to update the status of the research work.
- Guidance to be given to the Post Graduate Project students to take up their research work in the applied thrust area and publish/present their work in the International Conference / Patenting.
- Motivating the Post graduate students to take the Industrial Training / learn the Advanced Instrumentation techniques that enhance them to meet their placement purposes.
- Post graduate Project students are motivated to take up their Research in the National institutes / Central University laboratories.
- Research related University Communications should be circulated to the scholars through mail and also put up in a separate Notice Board.
